As the United States bishops have said, greater attention must be given to "the needs of the poor, the weak and the vulnerable, in a debate often dominated by more powerful interests". We need to strengthen the conviction that we are one single human family. There are no frontiers or barriers, political or social, behind which we can hide, still less is there room for the globalization of indifference. (Pope Francis, On Care for Our Common Home [Laudato Si' . . .], no. 52, quoting United States Conference of Catholic Bishops, Global Climate Change: A Plea for Dialogue, Prudence and the Common Good). www.usccb.org/beliefs-and-teachings/what-we-believe/catholic-social-teaching/seven-themes-of-catholic-social-teaching.cfm

Dear Padre,

How can I ask my priest for better homilies?

First, let me commend you for not just accepting bad preaching as a necessary evil. Priests are just like anyone else: Each has his gifts, and not everyone is a gifted preacher.

One of the best things parishioners can do for their priest is to give him

CNS PHOTO/GREGORY A. SHEMITZ

some honest, specific, helpful feedback instead of the generic, "Nice homily, Father." Many people say that so automatically that it's been said to me even when I wasn't the priest who delivered the homily!

Most priests don't get a lot of quality feedback on their preaching.

Some may find it hard to hear a critique, but most would welcome sincere, constructive criticism as long as it comes from the heart and the goal is to make them better preachers. You can even do this in a letter. Just be sure to sign it so he will take it seriously and be able to contact you for further feedback.

Keep in mind that a homily is not the same as a sermon. Whereas a sermon often includes a lot of moralizing, a homily must artfully draw the listener into questions of the human heart and bring that day's Scripture reading to bear on those questions. In that homily we hear in faith how hope, love, sacrifice, and belief in God guide us on our life journey.

A Word From Pope Francis

Jesus sends his disciples out to all nations....We too were part of all those people of two thousand years ago. Jesus did not provide a short list of who is, or is not, worthy of receiving his message and his presence. Instead, he always embraced life as he saw it.

OFFICE OF BISHOP

DIOCESE OF RAPID CITY

RESTORE THE CHURCH
BUILD THE FUTURE

Dear Brothers and Sisters in Christ,

During the weekend of February 10-11 our diocese will take up the **Collection for the Church in Central and Eastern Europe (CCEE)**. During the time of communist reign in many countries, practicing the faith became illegal, church buildings were confiscated, and people were forced to hide and secretly share the truths of the Gospel. After decades of institutional oppression and persecution, Catholics still struggle to rebuild not only their physical places of worship but also their church ministries and communities. With your support of this collection, the Church is providing resources to these communities to breathe new life into the faith once again.

The country of Albania is nestled north of Greece on the Adriatic Sea. This small country suffered greatly under communist rule. In the capital of Tirana, located in the middle of the country, the Church is continuing to restore not only its structures but also the spirituality of the faithful after years of oppression. In 1996, the congregation of sisters known as the Company of Mary Our Lady founded a kindergarten, the first Catholic school in the entire capital city. Since then, they have opened a school for grades 1-9 and a daily activity center for children. The sisters are now serving over 700 children daily from all different backgrounds, faiths, and ethnic groups. With your support of CCEE, these sisters will be able to make critical repairs to their building to continue their ministry. Your generosity helps the sisters to continue teaching children and equips the congregation to provide a space to build peaceful communities.

Your donations make a difference for those still struggling in the aftermath of communist rule. Please prayerfully consider how you can support the collection this year or if you can increase your contribution. For more information about the collection and who it supports, visit www.usccb.org/ccee.

Thank you for your help to restore the Church and build the future in Central and Eastern Europe.

Sincerely yours in Christ,

+ Robert D. Gruss

SUPPORT THE CHURCH IN CENTRAL AND EASTERN EUROPE

RESTORE THE CHURCH BUILD THE FUTURE

Our shared faith is deeply present in the cultures of Central and Eastern Europe, but this faith was severely tested over the course of the previous century. Countries in this region were under communist rule for 40 to over 70 years. During this time, bishops, priests, and church leaders were arrested and martyred. Churches were confiscated, communities broken, and people were forced to practice the faith in secret. Despite this religious persecution, the faithful of Central and Eastern Europe today are rebuilding and renewing what was lost—and you can help. With your support of the Collection for the Church in Central and Eastern Europe (CCEE), you aid those who strive to rebuild their faith communities.

The country of Albania is nestled north of Greece on the Adriatic Sea. This small country suffered greatly under communist rule. In the capital of Tirana, located in the middle of the country, the Church is continuing to restore not only its structures but also the spirituality of the faithful after years of oppression. Your support helps the sisters to continue teaching children and equips the congregation to provide a space to build peaceful communities.

Please be generous to the collection. Your assistance will provide vital resources to build faith, to educate children, and to help restore communities in Central and Eastern Europe. More information about the collection and the projects it supports can be found at www.usccb.org/ccee.
