

Keep holy the Sabbath day

“Keep holy the sabbath day.” This was the command that the Lord gave to Moses on the mountain, and this gift of the sabbath is very needed today. Sundays in our world seem to have just become another day for work, shopping, sports, and many other things. Our world has sought to turn Sunday into another regular day of the week. However, I think that we lose something important when we surrender our sabbath to the to-do list.

Jesus says to the Pharisees, “The Sabbath was made for man, and not man for the Sabbath.” This reminds us that God created the Sabbath, a day of rest, for our own wellbeing. There are a few things that taking a day of rest each week reminds us of. The sabbath helps us to avoid making money a god. It helps us to keep our attention focused on the One who is truly important. It also helps us to avoid becoming a slave to our work because no matter how much we do, there will always be more to do. Finally, it is meant to be a day to spend time with the God who provides us with everything.

Most people know that the sabbath is meant to be a day of rest, but what does that look like? I think that the phrase “being re-created in the Lord” can be helpful to think about. It helps us to remember that this day is not just for the avoidance of work. There are times when doing nothing can be more draining than doing work. Many of us may notice that if we spend all Sunday afternoon watching TV, often we feel more tired than when we started. Therefore, choose an activity that gives life, even if it takes a little more effort to do. Some examples of this might be going for a walk, exercising, having a meal with friends and family, taking a nap, spending time reading the scriptures, or working on a hobby. The list goes on and on.

There are many things that we can do to seek to live out the sabbath day well. If we seek to keep the sabbath day holy, then it will help us to keep God at the center of our life. It will also help us to remember what is truly important in a world that only values busy-ness.
