

Spread the word to vote **No on Amendment G**

Some of you may find politics as frustrating as I, or some of you may love it. Either way, they play a big impact in our state and nation. An important one coming up in November on the SD ballot is Amendment G. In short, this amendment seeks to enshrine abortion in the SD constitution. This is a grave evil that we do not want here.

This amendment is sold to everyone as promoting freedom; rather it promotes death. If this amendment passes, then it will throw out all the legislation that SD has passed to help protect women and their unborn children. Abortion is illegal in South Dakota because we believe that every life is sacred and important. If this amendment passes, then our state would be saying that only some lives matter. This amendment would also allow for abortion up to birth.

The people who are trying to get this amendment passed will say that it is necessary for the protection of women and their rights. They will even say that our current laws prevent women from receiving treatment for life-threatening complications such as an ectopic pregnancy. This is a blatant lie! There is nothing in our current legislation that prevents doctors from treating women for any genuine health concern. With the example of the ectopic pregnancy, already doctors can and should treat this illness even though the treatment will unintentionally result in the death of the developing child. The principle of double effect allows for this treatment and others that I cannot address in this short article. The short answer is that this new amendment will not help women but harm them.

There is much more information on this amendment and why we want people to know that we do not want this in SD at LifeDefenseFund.com. I encourage you to look this up and speak with those around you to help protect all life. We hold that all life is sacred, and now is our time to prove what we believe.

Let us Pray,
"Jesus, Mary and Joseph, with love for you I ask your intercession to
protect the life of unborn children. May they all come to birth healthy
and be a source of joy to their parents. For those in danger because of
abortion, I adopt them as my own and pray for them and their mothers."
