Who We Are

Protecting South Dakota Kids is a grassroots coalition made up of concerned citizens, healthcare professionals, pastors, educators, treatment providers, law enforcement, and other professionals. We need your support to fight off New York City Hedge Fund Managers and a well-funded, out-of-state marijuana lobby that has invested millions to "educate" South Dakotans about the "merits" of their product while seeking access to our kids, our families, and our communities.

Legal Marijuana will destroy our communities. Since passage, 66% of local jurisdictions in Colorado have banned medical and recreational marijuana businesses.

**WE WON'T GET THAT OPTION
IN SOUTH DAKOTA.**

I pray and hope that you will give to protect your children, grandchildren, and families. We can win this battle with God's help. Genesis 18:14 says, "Is anything too hard for the Lord?"

The Facts

- IM 27 only prescribes a \$100 penalty for those under the age of 21 who use or possess marijuana. This is less than your average speeding ticket and will not be a helpful deterrent against minors using the drug.
- In Colorado for ages 12 and older, marijuana usage increased 26% and is 61% higher than the national average.
- The #1 drug associated with a child's death is marijuana.
- In Colorado marijuana is found in 34% of the teens that die by suicide age 15-19.
- Traffic deaths increase: drivers tested positive for marijuana increased 138%.
- Adolescent marijuana use is associated with increased depression, suicide, and psychosis.

*"I want you to know you were right.
You told me marijuana would hurt my brain.
It's ruined my mind and my life, and I'm sorry.
I love you."*

- Johnny Stack to his mother, three days before he died by suicide.

"If every voting member could see what I see, the end point of legislation, you would not be able to vote to pass any cannabis laws. I promise that your state does not have enough addiction treatment facilities or adolescent psychiatric inpatient facilities (the number one adolescent diagnosis in treatment facilities is cannabis addiction)."

Special Intention

Each day the priest offers the sacrifice of the Mass for one special intention. These intentions can be for anyone living or deceased. To arrange a mass with your own intention, please fill out an envelope, which can be found in the church entrance, and drop it in the collection basket. Or you may simply contact the parish office to arrange a mass or masses. The parish asks for a \$10 donation per mass.

If you have an emergency for which you are in need of a Priest, please call Fr. Zane at 605-842-3520, Ext. 13. If Father does not answer, leave your name, number and your request. Father will get back to you as soon as possible. Thank you!

Let us Pray,
"Jesus, Mary and Joseph, with love for you I ask your intercession to protect the life of unborn children. May they all come to birth healthy and be a source of joy to their parents. For those in danger because of abortion, I adopt them as my own and pray for them and their mothers."

We continue to pray for our sick and for the hope of healing. May God remain with them in their suffering and give them comfort in His love. Please call the office (605-842-3520) to request continued prayers. To preserve the dignity and privacy of individuals, we ask that only an immediate family member call to request publication of names. We will presume they have permission from the individual to do so.

Do you or someone you know, want to join the Catholic Church or learn more about the Catholic faith? Call the office at 605-840-3520.

Men's Group
Men of all ages are invited to join together each **Thursday** morning for breakfast and scripture study. It's a great way to grow in our knowledge of God's eternal Word speaking to the particular challenges of our lives today. Also an amazing way to start the day! Come to the front door of the rectory at 6:30am. Lasts 1 hour.

Statement of the Bishops of South Dakota in Opposition to Marijuana Legalization

August 22, 2022

Memorial of the Queenship of the Blessed Virgin Mary

On November 8, 2022, voters will be asked to decide a ballot question known as Initiated Measure 27. If approved, it would legalize the possession, use, and distribution of marijuana for any purpose in South Dakota. We urge Catholics and all citizens to oppose Measure 27 because of the numerous harms it threatens to bring to individuals, families, and our state.

The Catechism of the Catholic Church teaches us, "The use of drugs inflicts very grave damage on human health and life. Their use, except on strictly therapeutic grounds, is a grave offense." (CCC 2291). Expanding on this, Pope St. John Paul II stated, "We cannot speak of the 'freedom to take drugs' or the 'right to drugs,' for the human being has no right to harm himself and neither can nor should ever abdicate the personal dignity which comes to him from God!" Likewise, Pope Francis has spoken forthrightly about his views: "No to every type of drug use. It is as simple as that."

There is a widespread belief in society today that marijuana is a harmless drug. However, this is a myth. Marijuana contains a mind-altering chemical known as delta-9-tetrahydrocannabinol or "THC" for short. Here is what the Substance Abuse and Mental Health Services Administration (SAMHSA) says about the marijuana in common use today: "Over the past few decades, the amount of THC in marijuana has steadily climbed; today's marijuana has three times the concentration of THC compared to 25 years ago. The higher the THC amount, the stronger the effects on the brain—likely contributing to increased rates of marijuana-related emergency room visits."

In 2002 Pope Benedict XVI declared, "It is the responsibility of the Church... to unmask the false promises, the lies, the fraud that is behind drugs." As your bishops, we believe it is our duty to speak plainly about the harms inflicted by marijuana, not just on those who use the drug but on the entire society. The following statements are direct quotes from the National Institute on Drug Abuse:

Traffic safety: "Marijuana may impair judgment, motor coordination, and reaction time, and studies have found a direct relationship between blood THC concentration and impaired

driving ability. Marijuana is the illicit drug most frequently found in the blood of drivers who have been involved in vehicle crashes, including fatal ones."

Workplace safety: "Studies have also suggested specific links between marijuana use and adverse consequences in the workplace, such as increased risk for injury or accidents. One study among postal workers found that employees who tested positive for marijuana on a pre-employment urine drug test had 55% more industrial accidents, 85% more injuries, and 75% greater absenteeism compared with those who tested negative for marijuana use."

Education: "Considerable evidence suggests that students who smoke marijuana have poorer educational outcomes than their nonsmoking peers. For example, a review of 48 relevant studies found marijuana use to be associated with reduced educational attainment (i.e., reduced chances of graduating)."

Addiction: "Marijuana use can lead to the development of problem use, known as a marijuana use disorder, which takes the form of addiction in severe cases. Recent data suggest that 30% of those who use marijuana may have some degree of marijuana use disorder. People who begin using marijuana before the age of 18 are four to seven times more likely to develop a marijuana use disorder than adults."

Several studies have shown that marijuana use is higher in states that have legalized this substance for so-called "recreational" purposes, as Measure 27 proposes to do in South Dakota. It is prudent to expect that legalizing marijuana in our state will likewise lead to increased use, and as a result, a rise in the adverse consequences associated with this drug.

As Catholics, we are called to protect the "common good," which the Catechism defines as "the sum total of social conditions which allow people, either as groups or as individuals, to reach their fulfillment more fully and more easily" (CCC 1924). When thinking about the question of legalizing marijuana, we must consider how the more widespread use of this harmful drug will hinder the ability of many individuals to live healthy and fulfilling lives. We should consider the social costs, from more dangerous roads to more crowded emergency rooms. The harms caused by marijuana are not limited to only those who use this drug, but rather affect the health of the entire society.

We believe individuals, families and our state will be significantly harmed if Measure 27 becomes law. We respectfully urge Catholics and all South Dakotans to oppose this measure.

Bishop of Sioux Falls

The Most Reverend Peter M. Muhich
Bishop of Rapid City
